

## **MCC Paid Internship Opportunity**

Spend a year working with Michigan Campus Compact's *Investing in College Futures Grant Program* to help mobilize college students and promote civic engagement and community service.

Through this opportunity, students can:

- Gain professional work experience through a paid internship
- Network with non-profit and higher education professionals
- Assist in facilitating a grant program and aide college students in the creation and implementation of grants
- Encourage college students to serve the needs of disadvantaged youth through grassroots outreach
