

Internship Job Posting

Program: ResourceConnect <http://www.new.org/resourceconnect/index.html>, a program of NEW (Nonprofit Enterprise at Work)

ResourceConnect comprises four sub-areas: personal assistance, an online training calendar, funding searches and an extensive directory of resources, the latter composed of service providers, print resources and Web resources.

Project: We're looking for a volunteer to groom the directory of resources by adding cross-references between resources, making sure links are live, and adding new resources.

Qualifications: Good language, communication and analytic skills; punctuality

Timing: Summer 2007 or before.

Benefits: Working with a small, dedicated, friendly staff at a management support organization for nonprofits. Free access to NEW's board training workshops.
